

IMPORTANT NOTICE – TERM 2 (Online Lessons)

Dear Teachers, Parents, and Volunteers,

South Australia's Department for Education has informed that our state's mainstream schools are at different stages in implementing distance learning arrangements, however, the advice is that "volunteers" are being asked to stay at home to limit the people who come onto the school site.

COVID-19 has caused unprecedented changes to the way we live, study and work, however, our team of volunteer teachers at the Vietnamese Community School will rise to the occasion by moving all our Maths and Vietnamese classes online.

OUR SCHOOL WILL COMMENCE ONLINE LESSONS for TERM 2 on SATURDAY 2/5/2020

Maths (Years 1 to 10): First Session: 12pm to 12.40pm
 10 minute break
 Second Session: 12.50pm to 1.30pm

Vietnamese (Playgroup to Year 10): First Session: 2pm to 2.40pm
 10 minute break
 2.50pm to 3.30pm

All Maths and Vietnamese Teachers have emailed parents and senior students with log-in details to join their online lesson.

If you did not provide our school with an active email on the enrolment form, or would like to communicate with the teacher, please refer to the attached list and urgently send your child's teacher your preferred contact number(s) and email address.

What you will need to participate in online classes:

1) A device with camera and microphone (e.g. laptop, desktop computer, iPad etc) capable of joining the video conferencing program Zoom (<https://zoom.us/join>).

Please note, your child **DOES NOT need to "sign in or sign up" for a Zoom Account. Please just enter the Meeting ID or Zoom link (and Password) to "JOIN A MEETING" that will be emailed to you, by your child's teacher.**

2) A stable internet connection.

3) Maths and/or Vietnamese Textbooks, exercise books and stationary.

4) A quiet location at home to participate in the online class.

Progressively, teachers will commence uploading class resources to the Vietnamese Community School website (<http://www.sa.vnca.org.au/vietnamese-community-school/>) for you to download homework, worksheets, activities, etc. However, this is work-in-progress, so in the mean-time, your child's teacher will keep you informed by phone, email and the online class.

We are continually assessing this evolving situation and will update you when classes return to 'normal'. Although this is a very challenging time for all, but if we work together, everyone will not only survive this pandemic, but thrive in the aftermath of COVID-19 with new digital learning skills gained from online education.

If you have any questions regarding our school, please contact us by email at VCS@sa.vnca.org.au and we will endeavour to get back to you as soon as possible.

Kind Regards,
 Khuyen (Quin) Tran
 Principal
